October 27 to November 1, 2023
Punto Zero, Aconcagua Valley, Chile

How to face the dark areas of your being and place them in the sanctuary of your heart.

Cultivating a path of virtue, recognizing the sanctuary that is your soul, which is full of wisdom and compassion.

We will work on finding ways, ways to be happier, wiser, more compassionate, more caring, to have a healthy and flourishing life. Clarifying that sanctuary within, how to reach it. All this under the guidance of our beloved Murshida (the one who shows you the light) Darvesha MacDonalds, who will accompany us with dances, walks, meditations, but above all with her illuminating and radiant presence. Illuminating and radiant presence, that from the sweetness will take us to the depths of being.

With our beloved
